

**STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION**

IN THE MATTER OF:

FINAL TOTAL MAXIMUM DAILY LOAD FOR TIJERAS ARROYO

ORDER

THIS MATTER came before the New Mexico Water Quality Control Commission (“Commission”) on September 12, 2017, at a regularly scheduled meeting. Having considered the proposed Final Draft Total Maximum Daily Load for Tijeras Arroyo, together with the oral presentations at the meeting, IT IS HEREBY ORDERED:

The Final Total Maximum Daily Load for Tijeras Arroyo is approved as revised, adopted, and incorporated into New Mexico’s Statewide Water Quality Management Plan and Continuing Planning Process. Further, the Commission requests that the New Mexico Environment Department (“Department”) work with the affected permittees during the next permitting cycle to minimize any impacts associated with the Total Maximum Daily Load, and that the Department provide an update to the Commission during the permitting process on the impact of this Total Maximum Daily Load on the affected permittees.

ISSUED this 12 day of September 2017.

Larry Dominguez, Chair
Water Quality Control Commission
